

The background of the poster is a silhouette of three people climbing a large, dark rock formation against a bright, hazy sky. One person is at the top right, another is in the middle left, and a third is at the bottom left. The overall tone is motivational and adventurous.

SURF Research Boot Camp

Utrecht University

Have you ever wondered how ICT can boost your research? This is your chance to start something new and exciting! SURF & partners and Utrecht University are proud to announce the first SURF Research Boot Camp.

- Participate in hands-on workshops:
- Research data management
 - Programming (e.g. Unix, Python)
 - Cloud and cluster computing
 - Big data analysis
 - Visualisation
 - Optimisation of data transfer

For PhD students, postdocs, other researchers and research support staff from all disciplines.

Date: 21 April 2016, 9:00 AM- 6:00 PM

Location: Utrecht University, Marinus Ruppert Building

Information and registration: www.surfresearchbootcamp.nl
