

## 'DTL ON TRACK': KICK-OFF DTL AND ELIXIR-NL

On 1 December 2014, the Dutch Techcentre for Life Sciences (DTL) organised 'DTL on track', the DTL and ELIXIR-NL kickoff event.

### PROGRAMME

08:30 *Registration, coffee/tea*

09:15 Opening by **Ruben Kok**, (Dutch Techcentre for Life Sciences)

09:30 **Keynote lecture: Cisca Wijmenga** (BBMRI-NL, UMCG)

*Genome sequencing: challenges and opportunities*

10:00 *Coffee/tea break*

10:15 Workshops/sessions (part 1):

- **ELIXIR-NL workshop: Data stewardship "burden or benefit for life science?"**
- **Scientific metabolomics meeting** organized by the Netherlands Metabolomics Centre
- **Introducing Enabling Technologies Hotels project call** by ZonMw/NWO

12:15 *Lunch break:*

- Exhibition a.o.: Sponsors, ELIXIR-NL, DTL Partners and DTL programmes: DTL Data, DTL Learning, DTL Technologies
- **Integrated life science research poster session**
- **Technology hotel brokerage event (10:00 – 15:00)**
- **Education market**

13:15 Workshops/sessions (part 2):

- **ELIXIR-NL workshop: Data stewardship "burden or benefit for life science?"**
- **Scientific metabolomics meeting** organized by the Netherlands Metabolomics Centre

13:30 *First meeting of the DTL Partner Advisory Committee (closed meeting)*

15:15 *Coffee/tea break*

**15:30 Start actual kickoff DTL & launch ELIXIR-NL**

15:35 **Keynote lecture: Mathias Uhlén**

(Royal Institute of Technology, Stockholm, Human Proteome Atlas)

*Exploring the human proteome using integrative omics and systems biology*

16:30 Festive opening session, presented by:

**Ionica Smeets** (columnist De Volkskrant, Zomergasten)

featuring a.o.:

- **Niklas Blomberg** (Director ELIXIR)
- **Karel Luyben** (Chairman of the DTL Board)
- **René Penning de Vries** (Figurehead ICT)
- **Jos Engelen** (Chairman NWO)

17:00 *Drinks & bites*
