

## DTL Partner Advisory Committee meeting Oct 2<sup>nd</sup> 2018

Short resume of speaker

### **Dr. Jeremy Lanfear, CTO ELIXIR**

Trained as a biologist, Jerry completed his BSc at the University of Liverpool, his D.Phil at the University of Oxford and postdoctoral studies with the Cancer Research Campaign in Glasgow. He then joined the Pharmaceutical company Pfizer, based in Sandwich, Kent, where he spent 20 years in a variety of roles in Research, Sample Logistics and Information Technology. Jerry joined ELIXIR in 2017 as the Chief Technical Officer with overall responsibility for ELIXIR's Platforms and Communities.

He is based at the ELIXIR Hub, near Cambridge in the UK.
